

Dear Dog Lover,

I'd like to personally invite you to attend my dog grooming classes starting in Feb. A FUN way to learn the business of Dog Grooming and how to take better care of your pet's coat!

Back by popular demand is my **Beginner Mini-weekend** to learn basics or how to groom your OWN dog. This would be a great way to see if it's right for you. Classes will be held on Friday night from 6-9 and then on Saturday morning from 9-12. If you don't have your own dog, I can make arrangements for you to work on one.

Mini wknd Tuition: \$150

Also....Part of my progressive series:

Wednesday Workshop days > 4 week \$550

If you already have some grooming experience this will be great as a refresher class or hands-on with your specific breed of dog. Expand your talents and just get more practice with the fine art of scissoring, handstripping etc. We can customize each session with your interest or experience in mind. Class is held on Wed 9:30 > 2:30

Introduction to Grooming > 6 Week Course: We will go over the basics of grooming a dog as well as breed details, and hands on experience with different dogs, equipment and products. This class will be held on Wednesday from 9:30-2:30 and Sat mornings from 9-12. **Ask about a custom schedule.

Dog Grooming II & III > 6 Week Course: This is a continuation of Intro to grooming. Now that you have a feel for the basics of grooming, we will start simple clipping and scissoring of a variety of breeds. You will need a grooming kit with a clipper for this class. This class will be held on Wednesday 9:30 > 2:30 and Saturday mornings 9-12.

Advanced Grooming > 6 wk course: Must have completed the 3 courses prior. We will continue grooming the higher level Breed trims like Standard Poodles, Kerry & Wheaton terriers, handstripping and show trimming. We will also go over some of the business end of promoting & running an efficient shop.
